Featured Training Courses

Seizure Recognition and First Aid program

The Seizure Recognition and First Aid trainings provide information that will increase the knowledge, skills, and confidence in recognizing seizures and safely administering seizure first aid.

Seizure Safe Schools Courses

This program provides an overview of seizures and epilepsy, seizure first aid, seizure action plans, rescue therapies, seizure emergencies and how to support students in school settings.

Behavioral Health Provider Courses

Epilepsy and psychiatric disorders have a bidirectional relationship. This means that not only people with epilepsy are at higher risk of developing psychiatric disorders, but people with primary psychiatric disorders are at higher risk of developing epilepsy.

Education Videos

Videos will provide a deeper information about diagnosis, treatment and theperaises, the challenges living with seizures, and the research to improve lives and find cures.
